ESTL 157.

G

COAS/OC Oct 23 Resolution not limited removal threat from missiles

SP

L

but includes all measures deemed necessary ensure Cuba cannot continue

IO

receive military material and related supplies which may threaten peace

P

and security continent. It specifies no limit of time and remains in

IOP

INR

RMR

effect unless or until rescinded by COAS/OC. We believe its language

sufficiently broad authorize further action which may be necessary deal

with possible continued receipt of as well as removal any existing

offensive weapons. We do not at present plan propose EFM. Under

resolution COAS continuing serve as OC and has authority

take further action if circumstances require.
